The Circles All Around Us Brad Montague, 2021-05-18 The debut picture book from the creator of the viral sensation Kid President is a moving take on how we can create bigger and bigger circles of community and connections as we grow—now a New York Times bestseller! In the circles all around us, everywhere that we all go, there's a difference we can make and a love we can all show. This is the story of a circle. When we're first born, our circle is very small, but as we grow and build relationships, our circle keeps getting bigger and bigger to include family, friends, neighbors, community, and beyond. Brad Montague originally created Circles as an Instagram video adorably narrated by his kids, and now this picture book adaptation is the perfect way to start a conversation about how to expand our worlds with kindness and inclusivity—even if it seems scary or uncomfortable. This book makes an ideal new-baby, first-day-of-school, or graduation gift, or any milestone that celebrates someone's world getting bigger.

Last Circle of Love Lorna Landvik, 2022-12-06 A funny, heartwarming story about a feisty group of women who shake, spice, and heat things up with a recipe book for romance, from the bestselling author of *Angry Housewives Eating Bon Bons*. Newly installed at All Souls Lutheran, Mallory Pastor Pete Peterson soon realizes that her church isn't merely going through turbulent waters, but is a sinking ship. With the help of five loyal members of the Naomi Circle, the young, bold minister brainstorms fundraising ideas. They all agree that the usual recipe book won't add much to the parish coffers, but maybe one with all the ingredients on how to heat up relationships rather than casseroles will... Pastor Pete has her doubts about the project, but it turns out the group of postmenopausal women has a lot to say on the subject of romance. While Charlene, the youngest member at fifty-two, struggles with the assignment, baker-extraordinaire Marlys, elegantly bohemian Bunny, I'm-always-right Velda, and ebullient Edie take up their contributions enthusiastically. After all, their book is really about cooking up love in all its forms. But not everyone in the congregation is on board with this scandalous project. As the voices of opposition grow louder, Pastor Pete and these intrepid women will have to decide how hard they're willing to fight for this book and the powerful stories within--stories of discovery, softened hearts, and changed lives.
