All Quiet Along the Potomac Ethel Lynn Beers, Mrs. Ethelinda Elliot Beers, 1879

The Making of Modern Colombia David Bushnell, 1993-02-09 Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization have spawned no lasting populist movement. There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should

have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Computer-Aided Materials Selection During Structural Design National Research Council, Division on Engineering and Physical Sciences, National Materials Advisory Board, Commission on Engineering and Technical Systems, Committee on Application of Expert Systems to Materials Selection During Structural Design, 1995-05-03 The selection of the proper materials for a structural component is a critical activity that is governed by many, often conflicting factors. Incorporating materials expert systems into CAD/CAM operations could assist designers by suggesting potential manufacturing processes for particular products to facilitate concurrent engineering, recommending various materials for a specific part based on a given set of characteristics, or proposing possible modifications of a design if suitable materials for a particular part do not exist. This book reviews the structural design process, determines the elements, and capabilities required for a materials selection expert system to assist design engineers, and recommends the areas of expert system and materials modeling research and development required to devise a materials-specific design system.

Weary and jaded, Ben clings to the ad's promise: "Escape into your dreams." But Landover is not the enchanted idyll he expected. The kingdom is in ruin. The barons refuse to recognize Ben as King, a dragon is decimating the countryside, and a demon lord has challenged any prospective ruler to a fatal duel. To make matters worse, the Paladin, renowned champion of the Kings of Landover, seems to be merely a

legend. Ben's only allies are a bumbling court magician, a talking dog turned court scribe, and the beautiful Willow, who is part girl, part tree. With his friends in tow, Ben sets out to claim the throne. But when Meeks decides he wants Landover back, Ben will face supernatural foes of every stripe to prove himself worthy of the kingship. The question is: Can he survive?

The Black Monastery Stav Sherez, 2009-04-02 People used to come to the small Greek island of Palassos for the historic ruins. Now they come to take drugs and party all night. But the horrific ritual murder of a boy in the grounds of an old monastery brings back memories of two similar deaths in the mid-1970s, and of a mysterious cult who once dwelt in the island's interior, memories the island has tried hard to forget. As Nikos, the police chief who has been persuaded back to his home island for the final years of his career, begins his investigation, two Brits arrive on the island: the bestselling crime writer Kitty Carson, on a break from the pressures of work and her strained marriage, and Jason, an aspiring writer with a secret of his own. When a second body is discovered - further endangering the island's lucrative tourist trade - these three characters are thrown together, as the gruesome secrets of the past begin to emerge. Brilliantly paced, and featuring a memorable cast of characters, *The Black Monastery* is a blistering portrait of paradise gone wrong.
